

Corrugated Tube Cutting Station

RSE-COT-100

Feature

- ▶ Touch-screen setting for cutting length & production quantity, automatic counting, auto-stop upon completion of set quantity.
- ▶ Servo-driven feeding, stable cutting dimension with minimal tolerance.
- ▶ Transparent safety protective cover for visual observation of internal cutting process.
- ▶ Benchtop integrated unit, small footprint, plug-and-play operation.

Specification

Model	RSE-COT-100
Control system	PLC + HMI
Cut Off Way	Cylinder cut off
Stroke	50mm
Voltage	220V 50-60HZ
Power	200W
Tube O.D.	Φ1-Φ30mm
Cutting Width	80 mm
Accuracy Length	cutting length +0.5+L*0.002mm
Cutting Speed	10-60 pcs/min (depends on the cutting length)
Weight	70KG
Dimension	570mmx490mmx460mm
