

## Spot Taping Machine(Economic Model)

### RSE-TW-50

### Feature

- ▶ Economic model special for wiring harness spot taping process.
- ▶ Digital tape length adjustment ,easy to use.
- ▶ Stable strapping quality,high efficiency which can reduce the operating intensity a lot.

### Specification

Model	RSE-TW-50
Productivity	50 pcs / min
Tape Cutting Length	50mm (or Customized)
Tape Width	10mm - 45mm
Bundle OD	≤ 8mm , (the subject length should be more than 140mm)
Air pressure	0.4-0.6MPa
Voltage	220V,50HZ
Power	350W
Weight	48kg
Dimension	W300xH250xD500
